*"Prove all things; hold fast that which is good."*

— 1 Thessalonians 5:21 (KJV)

## WHO IS KYLE LAURIANO

## The skeptic who set out to disprove the Bible.

Kyle Lauriano cycled through Roman Catholicism, rebellion, and New Age practices — crystals, tarot, astral projection — before landing in committed atheism. He picked up a King James Bible with one goal: to tear it apart. Instead Genesis gripped him. Matthew's account of Christ's words landed with the weight of his own sin. He wept at worship music he'd never have listened to.

He got on his knees and prayed: *"Jesus, if you are real, show me — and I'll serve you."* A warmth ran from his head to his feet. A peace he'd never known. It didn't leave. He came to faith in 2022. His wife came a month later. Today they're raising three children in a transformed home.

***"I came to disprove God. He met me instead — and I couldn't unsee what time it is."***

— Kyle Lauriano

Kyle is a KJV believer, husband, and father of three. He makes content for the person he used to be — the committed skeptic who thinks they've already figured it out.
